**CITY OF HAM LAKE  
ORDINANCE NO. 17-01**

An Ordinance Amending ARTICLE 6, PARKING AND TRAFFIC, to increase the maximum number of licensed personal vehicles allowed in a residential lot and to eliminate the permit process for exceeding the maximum number.

Be it Ordained by the City Council of the City of Ham Lake, Anoka County, Minnesota as follows:

ARTICLE 6, PARKING AND TRAFFIC of the Ham Lake City Code is hereby amended as indicated in the following sections:

6-820 Prohibited Parking

A) Locations

No Personal Vehicle shall be parked within the Street Setback Area of any Residential Lot unless parked on a Parking Surface. One unlicensed but operable personal vehicle may be permitted to be stored on a single parcel of record.

B) Maximum Number of Vehicles

No more than ~~four~~ eight Personal Vehicles may be parked at any time within the Street Setback Area of any given lot. Where Screening is present that prevents Personal Vehicles from being observed from abutting streets or parcels, there shall be no limit on the number of Personal Vehicles that can be parked outside of Street Setback Areas, nor shall there be any requirement that Personal Vehicles be parked on a Parking Surface, provided, that no more than one of such vehicles may be a Non-Operating vehicle. The maximum number does not include vehicles of occasional or temporary guests who do not reside on the property.

~~6-830 Exception Permits~~

~~The owner of any dwelling in a Residential Dwelling that desires to park more than four Personal Vehicles in the Street Setback Area may apply to the City for a permit to do so. Upon showing a particular need for exceeding the maximum number, the City Administrator may grant exception permits of limited duration and scope. A showing of "particular need" would include the occupancy in the dwelling of more than four licensed drivers, the non-existence of garage space, or a lack of area outside the Street Setback Area to accommodate storage.~~

~~If there have been complaints generated by unlawful lawn parking, the City Administrator may make a discretionary referral to the Planning Commission for review of the application, followed by City Council approval or denial of the request.~~

~~There shall be no fee charged for a permit issued by the City Administrator without Planning Commission/City Council involvement. If the request is submitted by the City Administrator for Planning Commission and City Council action, the permit fee shall be as prescribed by ordinance.~~

Presented to the Ham Lake City Council on January 17, 2017 and adopted by a unanimous vote this 6th day of February, 2017.

**CITY OF HAM LAKE  
ORDINANCE NO. 17-02**

An Ordinance Amending ARTICLE 3, MORALS AND CONDUCT, to regulate the discharge of firearms and bows and arrows.

Be it Ordained by the City Council of the City of Ham Lake, Anoka County, Minnesota as follows:

ARTICLE 3, MORALS AND CONDUCT of the Ham Lake City Code is hereby amended as indicated in the following sections:

**3-200 Discharge of Firearms and Bows and Arrows**

(1) Except as permitted in subsection (2) below, no person shall discharge a firearm upon, onto, or across any "Prohibited Areas" within the City of Ham Lake. No person shall discharge an arrow from a bow upon, onto, or across any Prohibited Area within the City of Ham Lake. "Prohibited Area" shall include the following:

- a) The outside perimeter of all platted subdivisions, including auditor's plats;
- b) The outside perimeter of all areas of residential concentration in which lots have been created by metes and bounds, and which have been identified by the Zoning Administrator as the equivalent of platted areas;
- c) All schools and churches, measured from the lot lines of the parcel upon which the school or church is situated;
- d) The outside perimeter of all City or County parks;
- e) The traveled portion of any public road.

(2) Notwithstanding the foregoing, firearms and bows and arrows may be discharged upon, onto or across Prohibited Areas described in Article 3-200(1)(a) and (b), under the following conditions:

a) The person is the owner or lessor of, or has the written or verbal permission of the landowner who owns the land upon which the firearm or bow and arrow is discharged, the land upon which the projectile comes to rest, or the land over which the projectile passes; and

~~b) The person discharging the firearm or bow and arrow is in actual possession of the written permission documents at the time of discharging the device; and~~

e) b) The discharge of the firearm or bow and arrow does not occur within 500 feet of any residential dwelling, unless the written or verbal permission documentation referred to in item 2(a) above specifically permits discharge within 500 feet of the dwelling.

(3) In areas which are not Prohibited Areas, persons may discharge firearms or bows and arrows, but only under the same conditions as are listed in Article 3-200(2)(a), ~~(b) and (c)~~ and (b).

(4) The provisions of paragraphs (1), (2) and (3) of this section do not apply to the discharge of firearm by law enforcement officers while performing their duties.

(5) The term "firearm" as used in this section includes pistols, rifles, revolvers, and shotguns as well as all pellet guns, whether gas explosive or spring powered, BB guns and all other devices or weapons which propel a projectile of any sort.

(6) Notwithstanding the provisions of subsections 1 through 6, inclusive, of Article 3-200, it shall be unlawful for any person to discharge a firearm gun, pistol, shotgun or rifle for the purpose of target practice, including the terms clay pigeon shooting, skeet shooting, trap shooting, gun-sighting or other recreational shooting not aimed at actual game, except under the following conditions:

- a) The activity is carried out on premises which have a conditional use permit for the activity; or
- b) The activity is carried out on premises and under conditions which meet the criteria outlined in Article 3-200 (2) of this Code, and
  - i) The activity is limited to no more than two sessions every thirty seven days; and
  - ii) The activity takes place between the hours of 10:00 a.m. and 7:00 p.m., and
  - iii) The activity introduces no lead shot onto any wetland which has been so designated by the Minnesota Department of Natural Resources.

Presented to the Ham Lake City Council on January 17, 2017 and adopted by a unanimous vote this 6th day of February, 2017.
