(1) First Violation

~~Date: \_\_\_\_\_~~

~~Nature of Violation: \_\_\_\_\_~~

If a second violation is observed in the next twelve months, the violation is a misdemeanor, punishable by up to 90 days in jail, a \$700 fine, or both. Subsequent violations may also result in a forfeiture of snowmobile operation privileges in the City. This letter will be your only warning. Sincerely, (City Administrator or City Attorney)~~

(2) Second Violation

If a second violation ~~by the same operator~~ within any given twelve- month period occurs, the violation shall constitute a misdemeanor as that term is defined by Minnesota Statutes. ~~The registered owner of the snowmobile shall be deemed to have consented to the commission of the misdemeanor, and shall be prosecuted accordingly.~~

(3) City Permit Required

~~Notwithstanding the outcome of any criminal prosecution, if a snowmobile is observed being operated in violation of this Code on two occasions within any given twelve-month period, the owner of the snowmobile shall be required to obtain a City permit and display a City identification sticker on the snowmobile. Any operation of a snowmobile required to have a permit and identification sticker, without such permit and sticker, shall be prohibited. Upon the observation of a snowmobile required to have a City permit and sticker being operated without such permit and sticker, or evidence thereof, a peace officer shall immediately seize and impound the snowmobile as evidence pending a criminal prosecution of the operator and/or owner.~~

~~Notwithstanding the outcome or existence of criminal prosecutions for violations of this code, if a snowmobile is observed being operated in violation of this Code on three separate occasions during any time period, the owner of the snowmobile shall be required to obtain a City permit and display a City identification sticker on the snowmobile. The provisions of Article 6-340.3 shall apply to the operation of snowmobiles required to obtain City permits and stickers.~~

No fee shall be required for the permit and sticker. The City Administrator shall prepare forms for application, permit, and prescribe specifications for the appearance and display of the sticker.~~

(6) Revocation of Permit

~~If a snowmobile displaying a City identification sticker is observed being operated in violation of the City Code, the City Administrator shall notify (by U.S. Mail) the registered owner that the permit for the snowmobile has been revoked, and shall further notify the owner that the owner has ten calendar days from the postmark date on the notice in which to request, in writing, a hearing before the Ham Lake City Council. If no hearing is requested, the revocation shall be effective eleven calendar days from the postmark date of the notice. If a hearing is requested, the revocation shall be suspended until the City Council can conduct a hearing. At the hearing, the owner may be represented by counsel and shall be given the opportunity to show cause why the Administrator's revocation should not be affirmed. If the City Council finds, after hearing, that the violation did in fact occur, then the Council shall, by motion, affirm the revocation, effective with the passage of the motion. Once a City permit has been revoked, any operation of that snowmobile, regardless of ownership, within the corporate limits of the City, shall be unlawful and upon observation of such unlawful operation, or evidence thereof, a peace officer shall immediately seize and impound the snowmobile as evidence pending a criminal prosecution of the operator and/or owner.~~

Presented to the Ham Lake City Council on February 6, 2017 and adopted by a unanimous vote this 21st day of February, 2017.
